

4K High Speed & Fiber Optic HDMI Cable

- Enjoy the 3D horizon and experience the immersive visual shock.
- Support 4K resolution, crisp and stable image quality with no screen flicker, enjoy reliable performance and superior playback.
- 18Gbps bandwidth bring high-speed transmission speed, which can transmit video and audio at lightning speed.
- Support high dynamic range (HDR), colors are rich and vibrant, and the range of colors shown on the screen is closer to the range the human eye can see.

Brief Introduction

[4K HDMI Cable] HDMI to HDMI Cable supports Mirror & Extend mode, Ultra HD 4K 2160P, HD 2K 1080P, QHD 1440P, HDCP 2.2, Audio Return(ARC), and Hot plugging. 4K HDMI Cable support 3D technology. This HDMI cable is up to 32 audio channel for a multi-dimensional immersive audio experience, up to 1536kHz audio sample frequency for the highest audio fidelity, HDMI 4k bring you the ultimate audio-visual feast (also supports 1080P HD).

[Reliable Construction] HDMI Cable is produced by copper plated connector, chrome-plated aluminum alloy shell and 28AWG copper clad steel conductor, triple shielding layer shielded to avoid any EMI/RFI, ensure high-speed and stable signal transmission and minimize signal loss. CL3 rated HDMI cables can be installed in the wall safely and durable.

[HDMI Cables Wide Compatibility] Backwards compatibility with all HDMI versions including HDMI 1.3/ 1.4/ 2.0, NOT FOR 8K, and support high speed 4K 18Gbps transmission. Suitable for all HDMI devices - Blu-ray players, PC, AV receiver, Apple TV, Roku streaming media player, PS3, PS4, play station, HDTV, laptop, monitor, projector and more.

[Amazing Visual Experience] Innovative improvement 4K HDMI cable, 4K*2K Ultra HD technology with resolution up to 3840 x 2160 @ 30 Hz, support 4K video, including 3D and multiple view video. Full HD,1080P, HDR, enjoy full HD crystal-clear TV sound quality while experiencing deep colors and high-resolution images. Provides you the best visual experience of ultra high definition.

4K High Speed HDMI Cable

Model	ZK-05HD-C	ZK-10HD-C	ZK-15HD-C	ZK-30HD-C	ZK-50HD-C	ZK-10HD-C	ZK-15HD-C	ZK-20HD-C
Total Length	0.5m	1m	1.5m	3m	5m	10m	15m	20m
Outer Diameter	7.3±0.2mm					8.0±0.2mm		8.5±0.2mm
Function	Audio & Video Transmission							
Version & Resolution	HDMI 2.0, 4K*2K HD 1080*1920 3D 1280*720							
Material	PVC+CCS (copper clad steel)							
Conductor	CCS, Gold Plated							
Connector	Copper Plated							
Connector Type	HDMI							
Shielding	Aluminum Foil							
Jacket	PVC							
Gender	Male-Male							
Color	Black							

4K High Fiber Optic Cable

Model	ZK-05HD-FO47	ZK-10HD-FO47	ZK-15HD-FO47	ZK-20HD-FO47	ZK-30HD-FO47	ZK-50HD-FO47
Total Length	5m	10m	15m	20m	30m	50m
Outer Diameter	4.8±0.2mm					
Function	Audio & Video Transmission					
Version & Resolution	HDMI 2.0, 4K*2K HD 1080*1920 3D 1280*720					
Material	PVC+Tinned Copper					
Conductor	OM2, Tinned Copper					
Connector	Copper Plated					
Connector Type	HDMI					
Shielding	Aluminum Foil					
Jacket	Zinc Alloy					
Gender	Male-Female (Source-Display)					
Color	Black
